2015 international alumni and former students survey

Description: Survey administration's goals 1. send a personalized email invitation which includes explanatory text for the participants and a link to the survey 2. ensure that each participant completes the survey only once 3. enable tracking which set of survey item answers belongs to which participant—in case we administer another survey to the same participants in the future and need to compare their answers (pre-post) The following survey items' response options are radio buttons. 1,2,4–10, 14, 15 The following survey item's response options are check boxes. 3 The following survey items' response option is open-ended (text-input box). 11, 12, 13
