next steps to take

IF YOU ARE UNABLE TO ARRIVE

If you planned to physically travel to the U.S. to take classes for Fall, but for some reason are unable to arrive, follow these steps:

Contact your department (graduate) or college (undergraduate) to discuss your options for taking classes remotely

If necessary, contact Admissions to request a deferral to a future term

Visit [iServices.ucsd.edu](https://www.ucsd.edu/international-services) to request an adjusted started date on your form I-20 or DS-2019

If you have on-campus housing, contact [Housing, Dining, & Hospitality \(HDH\)](#) to inquire about your options for adjusting your move-in date

The International Services and Engagement Office **strongly** recommends you wait to purchase flights or put deposits on housing, etc., until **AFTER** you have received your F-1 or J-1 visa stamp. If you must begin making financial commitments as you plan for your US arrival, we encourage you to seek refundable commitments as much as possible. **You are not eligible to seek entry to the US until you have received your visa.**

iPrograms

ISEO programs (iPrograms) are designed to support our international students, scholars, and families by creating opportunities for connection and community-building in a variety of ways. Be sure to check out our [Peer Mentorship Programs](#) too!

What is the difference between a program and an event? An event typically is a planned public occasion with a start and end time (e.g. Lunar New Year Celebration), while a program has more of an ongoing nature (e.g. For the English-in-Action program, participants may meet over the course of an academic year).

GLOBALLY ENGAGED TRITONS (GET) CO-CURRICULAR RECORD (CCR) CERTIFICATE

The Globally Engaged Tritons (GET) Co-Curricular Record (CCR) Certificate allows UC San Diego students to earn credits on their Co-Curricular Record (CCR) for being involved in events on campus that promote the global engagement and internationalization of our campus. Globally Engaged Triton (GET) events allow students to highlight their own culture or learn about other cultures as well as allow students to develop their global leadership skills.
