Required Documents

You are required to submit the following official documents in order to finalize your admission:

- Final official transcript with conferral - University of Pittsburgh (Bachelor of Science). **Document has been received and is in queue for processing.**

The Graduate Admissions Office begins reviewing official documents in **June** for incoming Summer and Fall students. Please be sure to check this portal often in case there are updates regarding your pending admission documents. If you have any questions about your required documents, please email us at gradadmissions@ucsd.edu with your application reference number or PID.

The deadline to submit the above documents is the fourth Friday of your first quarter of enrollment at UC San Diego. Failure to submit documents by this date will result in a hold on future registration until the documents are received. View the current [Academic Calendar](#) to see when your first quarter of enrollment begins.

How to Submit a Final Transcript

A **final transcript** is required for any degree(s) earned at institutions within the United States, and in some cases is required for coursework completed at institutions where you did not earn a degree (either domestic or international).

Please have your transcript sent directly to Graduate Admissions using one of the three options below. Transcripts must be the final version, which includes all grades and coursework completed, any degree(s) received, and the date(s) of degree conferral (if applicable).

Option 1: Parchment. Select "University of California San Diego Graduate Admissions" as the recipient in the menu provided by Parchment. This is the best way to ensure your academic materials reach our office and your applicant file in a timely manner.

Option 2: Other e-transcript service/electronic submission of materials. Have your institution send the documents to gradadmissions@ucsd.edu. Please note that you may not email your materials yourself. Documents must be sent by officials from the issuing institution or through a secure, third-party service such as National Student Clearinghouse.

Option 3: Mail. Have your institution send the documents to Graduate Admissions at the address listed below. Please note that we cannot accept documents that were opened or sealed by the student. Documents must be received in an envelope sealed by the issuing institution.

University of California San Diego
Graduate Admissions
9500 Gilman Drive #0003
La Jolla, CA 92093-0003

Your transcript must state the degree conferred to you and the date of degree conferral (if applicable). We do not accept transcripts that have pending grades or in-progress coursework.

NAVIGATING THE WEBSITE

The screenshot shows the top portion of a website. At the top left, the text "HDH GRADUATE AND FAMILY HOUSING" is displayed in a dark blue font. To the right, the "UC San Diego" logo is visible, with "UC" in a smaller font and "San Diego" in a larger, serif font, both in dark blue. Below the header is a dark blue navigation bar containing the following menu items: "Apply Now", "Our Communities", "Resources", "Frequently Asked Questions", and "About Us", each followed by a small downward-pointing chevron icon. On the far right of this bar is a search icon (magnifying glass) followed by another chevron icon. The main content area below the navigation bar has a dark blue background with a subtle, repeating pattern of small, light blue icons. In the bottom left corner of this area, the text "Got Questions?" is written in a large, bold, white sans-serif font. Directly beneath it is a white rectangular button with rounded corners and a thin white border, containing the text "CHECK OUT OUR FAQs" in a dark blue, uppercase sans-serif font.
